CASE REPORT

NARRATIVE

17-00038739

Assault 4th

C. Pierce

While on patrol assigned as 2K7 on 11-06-2017 at 0954 hours I was sent via NORCOM to 10200 NE 132nd Street the Fairfax Hospital on a reported assault.

Upon my arrival I contacted the charge nurse for the North unit [REDACTED] [REDACTED] who related that on 11-05-2017 at around 0856 hours one of the patients [REDACTED] was reported to have punched another patient [REDACTED] for no reason. [REDACTED] said that she would bring the victim [REDACTED] out of the North unit into an open area where I could take a statement from him. [REDACTED] said that this occurred in the common area of the North unit.

I then contacted [REDACTED] who related that on 11-05-2017 sometime around 1200 hours (0856 hours) he was sitting in the dining room when another patient he knows as [REDACTED] only, walked up to him and took a full swing and punched him [REDACTED] in the right side of his face knocking him to the floor. [REDACTED] did not know what happened after that. [REDACTED] said that he did not know why [REDACTED] punched him. [REDACTED] said he did not know someone could punch that hard.

I then took a written statement from [REDACTED]. [REDACTED] related that he had lost time since he had been in the hospital.

I then viewed the video for this incident. I could see [REDACTED] in the commons area sitting at a table and appeared to be reading something. I then saw another patient I know as [REDACTED] come into the common area and sit in a chair near the table [REDACTED] was sitting at. I saw that [REDACTED] got up and appeared to be agitated. [REDACTED] then walked a few feet away and removed his upper garment and throw in to the floor. [REDACTED] then walked over to [REDACTED] and took a full swing with his right arm and then punch [REDACTED] on the left side of his face knocking [REDACTED] out of his chair to the floor.

[REDACTED] was then separated from [REDACTED] by the hospital staff.

I then spoke with [REDACTED] after I took a statement from [REDACTED]. [REDACTED] said that I would not be able to talk to [REDACTED] as today on 11-06-2017 at 0738 hours [REDACTED] had punched [REDACTED] and both [REDACTED] and [REDACTED] were medicated. [REDACTED] said that [REDACTED] was still sleeping from his medication. [REDACTED] asked that I remove [REDACTED] from the hospital.

CASE REPORT

NARRATIVE (continuation)

[REDACTED] is court ordered to be at Fairfax Hospital and I discussed with [REDACTED] that [REDACTED] would have to be discharged before I could take him into custody. And that I would not take [REDACTED] out of the hospital while he was unconscious.

I also viewed the video of today's incident 11-06-2017 at 0738 hours. I provided [REDACTED] with my business card that included the case number and informed her that when [REDACTED] wakes up and if he wants to file assault charges for today to contact me.

At 1227 hours today I was informed via NORCOM that Fairfax Hospital called and that [REDACTED] would be discharged in about 15 minutes.

Upon my arrival I placed [REDACTED] under arrest for the assault.

I handcuffed [REDACTED] and checked the handcuffs for a proper fit. I then double locked the handcuffs. I then transported [REDACTED] to the Kirkland Jail where he was booked for the assault.

Prior to the transport I had checked the rear transport seat. After [REDACTED] was transported I again checked the rear transport seat.

[REDACTED] was also charged for assault under case number 17-37954 through investigation.

Nothing further.
